

Take A Journey Through Starved Rock State Park By Kayak

Kayaking is an exciting and fun means to explore the charm of the outdoors. If you're going to Starved Rock State Park in Illinois and intend to take advantage of its picturesque appeal as well as distinct geological developments, then kayaking is a must-try task. At Starved Rock Rentals, we offer high-end kayaks for rental fee, so you can experience this awesome adventure comfortably as well as style.

Single and Tandem Kayaks for Every Paddler

We provide two kinds of kayaks for rental fee: solitary as well as tandem. Our single kayaks are made by Assumption as well as are the Carolina design, offered in sizes of 12 feet as well as 14 feet. Solitary kayaks can stand up to 275 pounds, that includes the complete capability of cargo and also the person. If you're nearing 225 extra pounds, it might be wise to rent out a tandem kayak to paddle solo.

Tandem kayaks are really functional as well as have 2 seats onboard. Among the seats can be relocated to the middle of the kayak, making it possible to paddle solo as a quasi-single kayak. This makes tandem kayaks a superb option for those who intend to bring a close friend or relative along for the trip, or for those who want the choice to paddle solo.
