

The Sour Space Candy Strain of Marijuana

The [Sour Space Candy strain](#) of marijuana is one of the best recent strains out of Oregon. It is known for its unique taste and smell and has a complex terpene profile. Specifically, this strain's top three terpenes are b-Myrcene, farnesene, and b-Caryophyllene. The result is a unique flavor profile that is both aromatic and sweet.

The CBD content of this strain is high. Its aroma is sweet citrus with subtle sour-candy notes. The scent is best experienced after grinding the plant. Its sweetness contributes to its overall mellowing effects and is perfect for relaxing during the day or night. Sour Space Candy is a strain with a high CBD content, making it an excellent choice for those who enjoy a pleasant high.

Sour Space Candy is an excellent strain for first-time users. This strain produces medium-high yields and has a flowering time of eight weeks. It is resistant to pests but can become susceptible to mold if humidity problems are present. The high CBD content of this strain makes it perfect for treating and relieving stress.

Sour Space Candy has a unique terpene profile. This cannabis strain is a very relaxing and sweet-smelling sativa-dominant hybrid. It also helps reduce stress and boost mood. It's also an excellent choice for both morning and daytime use.

Sour Space Candy is an excellent strain for those who need to relax after a stressful day at work. It can help people relax and disconnect from the stress of constant worries. Chief Botanicals provides quality CBD products that are cultivated in a cruelty-free environment. Experienced cannabis connoisseurs make these products with the best quality ingredients.

This strain was created by crossing the Sour Tsunami hemp flower with Early Resin bud, which results in a sativa-dominant hybrid. This hybrid has a distinctive aroma that combines sweet and tart notes. It also has a unique flavor profile. In addition, this strain is ideal for people who suffer from depression.

The Sour Space Candy hemp flower promotes relaxation, improves mood, and boosts creativity. It also helps you focus and think clearly. It is also an excellent strain for those who are into nature, like birdwatching.

It offers a balanced effect and is perfect for daytime use.

The Sour Space Candy strain is quite aromatic and can be pungent if smoked fresh from the bag. It smells like citrus, pine, skunk, and tropical fruits. It also has a strong astringent flavor and dark green buds with deep purple trichomes.
