Summer 2019: 12 credits or more 9-11 credits or more 6-8 credits less than 6 credits

Please attach a copy of your schedule to this form.

Important Veteran Information – Read and sign (Unsigned forms will be returned and delay processing)

1. The payment of Veterans' Education Benefits requires a student to be admitted into a financial aid eligible program, enrolled and attending classes. An admitted student is one who has completed and submitted an Admissions application, paid any required fees (i.e., application fee, criminal background check fee if applicable to your program), submitted official high school transcripts (which are recognized by the college), military training for transfer credit/advance standing and have met the academic requirements to be admitted into your program by taking the entrance test, if necessary. An enrolled student is one who is registered and attending classes.

2. If you drop or add courses or withdraw from classes in a semester for which your veteran educational benefit was certified, it is your responsibility to notify the Financial Aid Office immediately. If such changes in enrollment are not reported, you may be required by law to refund the over payment.
3. All students are required to maintain an overall grade-point average of at least 2.0 on a 4.0 scale. Unsatisfactory academic progress will be reported to the VA and could result in the termination of veteran's educational and financial aid benefits. A veteran's / dependent's educational benefits will be terminated due to non-attendance or non-participation in classes.
4. A veteran / dependent may be certified only for required courses and electives needed for their selected program as specified on the curriculum.
5. Advance Pay must be requested in writing at least thirty (30) days before registration for any given school semester.
6. The MGIB recipient must verify his or her continuing enrollment on the last day of each month or within a week after by Internet Web: <http://www.gbill.va.gov.wave> or by phone: 1-877-823-2378. Post 9/11 students are not required to verify their enrollment.
7. If you have been awarded federal and state financial aid funds and are also receiving State Veterans Benefits, your financial aid award may have to be adjusted to comply with federal financial aid packaging guidelines to prevent an overaward. If you have been overawarded, changes will be made to your federal and state financial aid funds, regardless of whether the information received was inaccurate or unknown at the time you were awarded financial aid funds.

If you have been overawarded, you may become ineligible to receive any or all offered federal/state financial aid awards (such as grants, loans, and the federal work study program), and/or benefits you receive from other resources (including scholarships, tuition/service fee waivers, fellowships, internships, grants, etc.). If it is determined that you are ineligible to receive the federal/state financial aid that was offered to you, some or all of this federal/state financial aid will be reduced and/or cancelled to prevent an overaward. If the federal/state financial aid funds have already been disbursed into your Talladega Student Account, once they are cancelled or reduced to prevent an overaward, you may owe a repayment to the school. Failure to repay these funds could result in your registration being cancelled, and/or a hold being put on your Talladega Student Records which would prevent you from registering for classes and getting a copy of your transcripts.

ATTENTION: ALL APPLICANTS — Read and sign (Unsigned forms will be returned and delay processing)

I certify that I am enrolled in the credit hours as indicated above. I understand that it is my responsibility to notify the Financial Aid Office if I increase or decrease the number of enrolled credit hours; or if I change my program of study. I also understand that I may be responsible for paying any over payments that are a result of my change in enrollment status. I further understand that in order to receive Veteran Benefits at Talladega College I am required to complete the following: the 2018-2019 Free application for Federal student aid (FAFSA); submit a copy of my Talladega College Application; submit a copy of my official transcript from my high school and each college attended; and submit a copy of my Certificate of Eligibility. Moreover, I certify that the information provided on this form is true and accurate.
